Step 1:

Fill in Items
Info & Games
and/or Items
Info &
Platforms
and/or Items
Info &
Accessories

The screenshot shows the 'Virada Games' application window. On the left, there are four input sections: 'Item Info' (with fields for ProductID, Description, Stock Quantity, and Retail Price), 'Games' (with fields for Publisher and Media Type), 'Platforms' (with a field for Model Number), and 'Accessories' (with a field for Platform Type). Each section has an 'Add' button. Red arrows point from the text box on the left to each of these 'Add' buttons. The right side of the window shows sections for 'Customers' and 'Transactions', each with their own input fields and 'Add' buttons.

Step 2:

The screenshot shows the 'Virada Games' application window with data entered in the 'Item Info' section: ProductID is 'xbo00012', Description is 'Xbox One console', Stock Quantity is '55', and Retail Price is '299.99'. The 'Games' section has 'Publisher' as 'Microsoft' and 'Media Type' as 'Disk'. The 'Platforms' and 'Accessories' sections are empty. A red arrow points from the 'Add' button in the 'Item Info' section to the 'Products' list area. A text box on the right says 'Once the data is entered press the add button'.

Step 7:

The screenshot shows the 'Virada Games' application interface. On the left is the 'Item Info' section with fields for ProductID, Description, Stock Quantity, Retail Price, Publisher, Media Type, Model Number, and Platform Type. The 'Products' section in the center has an 'Add' button and a list of products, with 'xbo00012 Xbox One console' selected. An 'Error' dialog box is open in the center, asking 'Generate a default customer?' with 'Yes' and 'No' buttons. A red arrow points from the 'Yes' button to the 'Customers' section on the right. The 'Customers' section has an 'Add' button and a list of customers, with 'C123 Bobby Ray' selected. Below the 'Customers' section is the 'Transactions' section with an 'Add' button and a list of transactions.

If you want to add a default customer press the customer Add button and press Yes

Step 8:

The screenshot shows the 'Virada Games' application interface after the default customer has been added. The 'Error' dialog box is no longer present. The 'Customers' section now shows 'C123 Bobby Ray' and 'C000 unknown unknown' in the list box. A red arrow points from the 'Customers' section to the 'Transactions' section. The 'Transactions' section has an 'Add' button and a list of transactions.

Default customer is added it the customer list box

Step 9:

Retail Price: 300

Date: 14/06/2019

C123 xbo00012 22 x 14/06/2019

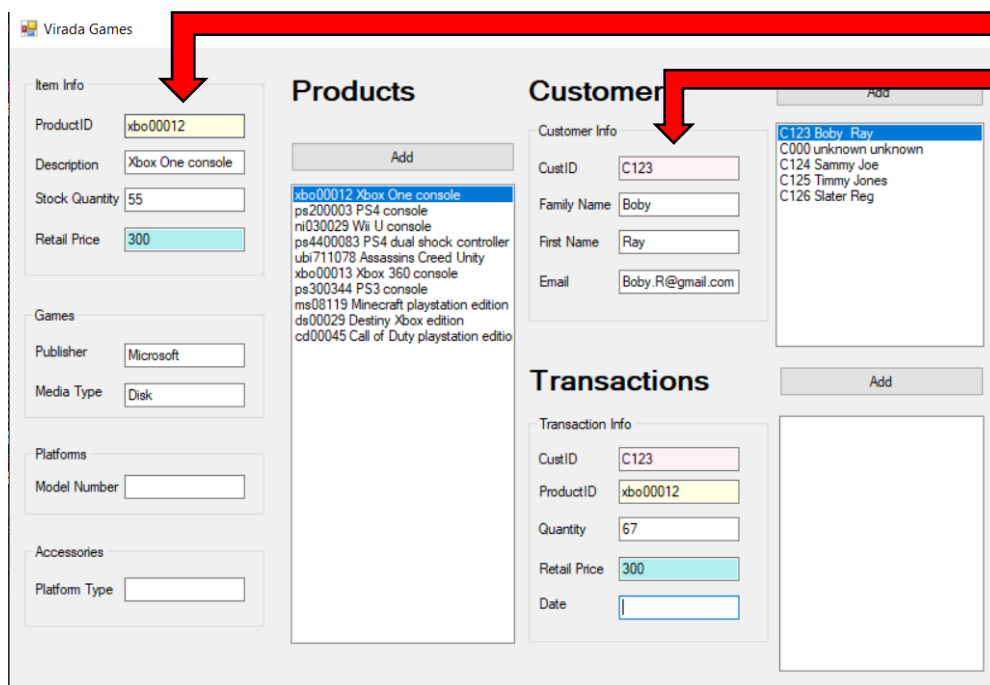

Next fill in Quantity and Date text boxes and press the Transaction Add button. Transaction Info will be added to the Transaction List box

Step 11:

Selecting a record in the Transaction List Box will also select the appropriate record from both the Product and Customer List box's

Step 12:

Double click the ProductID textbox to clear all Product Items. Double click CustID textbox to clear all

Step 13:

The screenshot shows the 'Virada Games' application window. It features a sidebar on the left with 'Item Info' (ProductID, Description, Stock Quantity, Retail Price), 'Games' (Publisher, Media Type), 'Platforms' (Model Number), and 'Accessories' (Platform Type). The main area is divided into four sections: 'Products' (with an 'Add' button and a list of items including 'xbo00012 Xbox One console'), 'Customers' (with 'Customer Info' fields and a list of customers including 'C123 Bobby Ray'), and 'Transactions' (with 'Transaction Info' fields and an 'Add' button). A box labeled 'Items Cleared' is visible on the right side of the window.

Step 14:

When Program Is closed all data will be saved to .dat files (products.dat, customers.dat, transactions.dat)

Name	Status	Date modified	Type	Size
customer.dat	✓	14/06/2019 8:49 PM	DAT File	2 KB
product.dat	✓	14/06/2019 8:49 PM	DAT File	2 KB
transactions.dat	✓	14/06/2019 8:49 PM	DAT File	1 KB
